## GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, MYSORE POWER AND LIGHT.

*Notification dated the 30th July 1938.*

Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work mentioned below.

2. The plans connected with the work may be seen at the Office of the undersigned at all working hours. The copies if required will be made available on payment of Rs. 3 per set.

3. The tenders should be drawn up strictly in accordance with the specifications furnished at the same, writing out the rates at which each item of work is executed in figures as well as in words, failing which no cognisance is taken of the tender. No items other than those noted in the statement should be included in the tender as the items include provision for all sundries, repairs to damaged masonry and painting the casings, boards, lead cables, etc.

4. The materials to be used on the work should be of best manufacture conforming to the departmental wiring rules and the latest B.S. or A.I.E.E. specifications and mention should clear be made of the manufacture and catalogue numbers of the materials offered. The T.W. planks, etc., to be used in the work should be well seasoned and free from cracks, knots and white wood. The minimum width of the plank to be used to boards, etc., should be not less than 12 inches unless it is to make up the difference in size of the board required. In all cases lap joints should be adopted. In no case joints would be permitted to be put up, diagonally, for the boards.

5. The undersigned reserves the right to reject the tenders without assigning any reasons therefor.

6. The successful tenderer will be required to deposit an earnest money of Rs. 60 and Rs. 50 (Rupees Sixty and Fifty), respectively, in cash and execute an agreement within a week from the date of intimation as to the acceptance of the tender, failing which the tender will be disposed of otherwise at his risk.

7. In executing the work, the wiring rules of the Department as well as those of the Institution of Electrical Engineer should be strictly followed.

8. The control switches, etc., should be fixed in inconspicuous corners and grouped. The successful tenderer should be prepared to carry out any changes in the location of the lighting fixtures, control points, etc., that might be suggested by the undersigned, during the course of work, without any extra cost, if the estimate is not materially affected by such deviations. The undersigned reserves the right also to reject the work in full or in part if he finds the work not executed in terms of the specification.
